EUNITED PANEL DEBATE, LIVE ROBOT DEMOS AND NETWORKING DINNER:

THE EUROPEAN ROBOTICS INDUSTRY - FIT FOR THE FUTURE?

REGISTRATION

WEDNESDAY 28 SEPTEMBER 2022

SCOTLAND HOUSE BRUSSELS
CONFERENCE CENTRE
ROND-POINT SCHUMAN 6
1040 BRUSSELS, BELGIUM

EVENT OVERVIEW

We invite you to explore expected developments of the robotics industry in key regions (Europe, Asia, and North America).

A high-level panel with speakers from industry and the European institutions will discuss the challenges and opportunities for the robotics industry in Europe.

Participants will be able to experience in person 3 live showcases of robot exhibitions by renowned manufacturers KUKA, Energy Robotics, and TruPhysics.

The event will conclude with a Q&A session followed by an informal buffet-style networking dinner and drinks.
