EUnited - New Executive Director

Dear EUnited Members,

It is our pleasure today to welcome Mr. Jethro Schiansky as the new Executive Director of EUnited AISBL.

EUnited secured the commitment of Mr. Schiansky to represent EUnited and its sectors vis-à-vis the EU institutions.

The EUnited Management Board is confident that Jethro Schiansky will strengthen the visibility and position of the industry sectors represented by EUnited in Europe, thanks to his relevant experience he has gained over the past years working for a Brussels based law firm and in his role in advocacy for a well-known industry company.

At the same time, we would like to thank Lionel Platteuw, who represented Brussels office of EUnited AISBL for over 12 years.

Kind regards,

Wilfried Eberhardt
